Šifra: 01095
Kategorija prozivoda: Headset Mikrofoni
Proizvođač: SUPERLUX

Cena: 2.880,00 rsd

PRA20 XLR

Headworn Dynamic Microphone

The PRA20 is a head-worn dynamic microphone with no proximity effect when used in close miking applications, avoiding those unwanted "pop" sounds. These microphones have a light-weight, comfortable steel wire design and a tailored vocal frequency response that increases the intelligibility of speech. The PRA20 does not require phantom power and is especially suitable for all vocal miking.

PRA20XLR XLR3M connector

Features
