DJ Mixer 2 Channel

The PRO-2 MKII is a straightforward traditional two-channel mixer with a solid build quality and an uncluttered layout. It has high quality faders, sturdy rotaries and includes a dedicated microphone input with two-band EQ and level control. The monitor section features a rotary control to switch between channels 1 and 2 allowing the user to have a mix of both channels at the same time through the headphones.

2 channel, 5 input mixer - 2 phono, 2 line, 1 mic
Individual gain controls
2 band music EQ with up to 35dB cut per channel
Dedicated mic channel with 2 band EQ

Headphone cue mix
3-bar LED monitor
Easy glide replaceable crossfader
