Hear Every Detail
The unique design of the Technics acoustic chamber, harmoniser, and 6mm drivers delivers clear sound with a sense of range and depth. Lose yourself in smooth, detailed highlights and bass.

Speak with Clarity
With 6 individual mics and advanced wind noise reduction, EAH-AZ40 transmits your voice clearly on each call; JustMyVoice™ Technology* isolates and amplifies words while minimising surrounding noise.
*Feature under continuous development; varying environmental conditions may affect performance.

Comfort Fit for Your Every Move
Compact, lightweight earbuds fit snugly and comfortably; 4 sizes of silicone earpieces (XS, S, M, L) give a customisable fit and ensure immersive sound with IPX4 water resistance*.
*Only the earbuds are compatible with the IPX4 equivalent. It does not include the charging cradle.

Your Sound in Style
Choose from 3 colors to match your style, with an attractive matching charger case.
Control the Sound Around You

Natural Ambient Mode
Natural ambient mode comprehensively captures voices and other surrounding sounds, leading to a more natural sound similar to not wearing headphones at all. Captures wide range of sound from low to high frequencies.

Attention Mode
Attention mode reduces unwanted external noise to make it easier to hear people‘s voices. It’s perfect when you need to hear airport announcements, etc.
Attention Mode
Personalised Your Sound for All-Day Wear
