Key Features

Precision-engineered Class A/B amplifier
Analogue only to avoid interference from digital circuitry
Six analogue inputs, including one for your turntable
Dedicated RCA output included for straightforward connection of a powered subwoofer
Symmetrical and modern with a reflection on past Marantz icons

Model 50 drives loudspeakers with an authority that unveils previously undetected details in music. Designed with an exquisite style that is both modern and timeless, the Model 50 features symmetry and warmth as hallmark aesthetic cues. These push the boundaries of audio equipment design while remaining conscious of past audio icons.

For those desiring a deeper audio experience, a dedicated RCA output allows for the straightforward connection of a powered subwoofer.
