Loudest. Lowest. Clearest.
• 1400W of class-D amplification
• 1” custom compression driver
• 15" low frequency driver
• Loudest volume with 130 dB maximum SPL
• Lowest bass with 41 Hz low frequency response

SoundCheck DSPTM Voicing Modes
• Sound check is as easy as pressing a button with user-selectable voicing modes
• Flat Mode: Neutral speaker with pure sound
• DJ Mode: DJ speaker for music playback
• Live Mode: PA speaker for speech, karaoke, live shows and events
• Wedge Mode: Stage monitor for performers

SoundCheck DSPTM Instant Setup Features
• Feedback Eliminator magically prevents ear-piercing microphone feedback with the push of a button
• Music Ducking tastefully dims music when you speak into the mic, so you never have to bring the vibe to a halt
• Outdoor mode automatically compensates for being outside, preventing the typical loss of high end

Built-in Mixer With Mic Input
• Dual XLR/TRS combo input jacks on both channels
• Mic/line switch on channel 1
• 1/8” input jack on channel 2
• XLR mix output (includes Bluetooth®)
• Front LED on/off

Bluetooth® Streaming and Linking
• Bluetooth® streaming from your smartphone or tablet
• Bluetooth® linking so you can stream to two speakers in stereo, zone or dual mono
• Control every setting wirelessly and tweak the EQ with Thump Connect 2 app
• Bluetooth® works simultaneously with analog inputs, and passes to XLR mix output

Physical Specs
• Premium metal handles
• Rugged, modern construction
• 3 M10 fly points for suspended installation
