Shure BLX24/B58 Handheld Wireless System at a Glance:

Convenient and easy to use
Ready to rock, right out of the box
Versatile and expandable

Convenient and easy to use

Providing up to 14 hours of use with two AA batteries, Shure's BLX Series transmitters let you perform with confidence.

Ready to rock, right out of the box

If you're ready to go wireless, Shure's BLX wireless systems are a smart, affordable choice. Take the stage confidently, backed up by Shure's legendary microphones, decades of wireless design experience, and tour-tested build quality. Available in a broad selection of bodypack and handheld configurations, BLX vocal, guitar, headset, and presenter systems are ready to rock, right out of the box.

Versatile and expandable

A choice of single-channel, single-channel half-rack, and dual-channel receivers, as well as vocal, guitar, headset, and lavalier options, makes Shure's BLX wireless systems quite versatile. And the ability to run up to 12 compatible systems per band protects your investment, letting you start out modestly and expand as necessary.

Shure BLX24/B58 Handheld Wireless System Features:

Singers, enjoy your freedom!
User-friendly, high-performance wireless system
BLX2/B58 handheld transmitter with integrated Beta
58A supercardioid dynamic microphone capsule
BLX4 receiver

Take the stage confidently with Shure's BLX24/B58 Handheld Wireless System!
