Proizvođač: SUPERLUX

Cena: 5.400,00 rsd

PRA20 TQG

Headworn Dynamic Microphone

The PRA20 is a head-worn dynamic microphone with no proximity effect when used in close miking applications, avoiding those unwanted "pop" sounds. These microphones have a light-weight, comfortable steel wire design and a tailored vocal frequency response that increases the intelligibility of speech. The PRA20 does not require phantom power and is especially suitable for all vocal miking.

PRA20TQG TA4F connector for wireless

Features
