ADJ Inno Pocket Z4 - Roto glava

**The
Inno**

Pocket Z4 is a mini ZOOM Moving Head that creates beautiful washes of color with its 10-60-degree beam angle. Its compact size and lightweight makes it ideal for mobile entertainers, small club and bars, roller rinks, bowling centers, churches or any mobile production.

Featuring 4 x 10W 4-IN1 Quad LEDs (RGBW - Red, Green, Blue and White), the Inno Pocket Z4 will give pure lighting excitement with its fast moving head and brilliant washes of color. It has a pan and tilt inversion mode that makes one head do the opposite of another when linked together.

Users may control the Inno Pocket Z4 by Sound activation with its 4 built-in shows, the optional UC IR wireless remote, or use a DMX controller to create your own light shows. Compatible with the ADJ Airstream IR App.

- High output mini Moving Head with a bright 4 x 10W Quad RGBW LED source
