cables will fit easily in the main compartment.

Thanks to a hook-and-loop fastener you can access the bottom of your recorder. You can also configure this touch-fastener for your cable-routing needs.

Adjustable dividers are on hand so you can customize the interior for your exact predilections. If you need to work with your recorder outside of the bag, you can pull out the main divider, insert it sideways, and create a makeshift tabletop surface. Adjustable straps are provided, as are three latch hooks per side, ensuring a stable and comfortable fit for carrying your recorder for many hours at a time.

The

removable clear-window cover allows you to keep an eye on your recorder's display without exposing it to the elements. Dust shouldn't be a problem, and thanks to its water-resistant construction, neither should rain.

The sides feature drawstring sleeves so you can access your recorder's I/O without exposing the connections to harmful weather conditions. Accessories can sit in zippered pockets, one located on the front and the other on the side. Mics and
