

Biamp CM 6 QFT - Plafonski zvučnik

Biamp CM 6 QFT - Plafonski zvučnik

**CM 6
QFT**

Šifra: 7364

Kategorija proizvoda: Plafonski Zvučnici

Proizvođač: Biamp

Cena: 6.840,00 rsd

Woofers: 6.5" paper cone

Rated Power RMS: 6 W / 100V

Rated Power RMS: 40 W / 16Ω

Sound Pres. Level (SPL) 1W/1M: 91dB

Transformer power taps: 6 - 3 - 1.5W

Dimensions outside Ø: 237mm

Depth: 65mm

Weight: 1.1Kg

Grille removal tool: included

Type: 2 - Way HiFi

Tweeter: 1" Soft Dome

Music Power RMS: 10 W / 100V

Music Power RMS: 60 W / 16Ω

Frequency range: 60 Hz - 20 kHz

Dispersion @ 1-4-8 KHz: 180° - 80° - 45°

Dimensions Cutout Ø: 216mm

Ceiling thickness: 12.5 - 29mm

Grille: metal

Clamp release/tightening hex key: included

The CM6QFT is the new contractors' reference: an easy to install speaker that reduces labor cost drastically.

The patented Quick-Fit system allows an installer to mount many speakers in a short time. On the CM6QFT, you will find factory-tightened clamps instead of screws. All one has to do is position the speaker in the ceiling, and release the 4 clamps by pushing their buttons with the round edge on the back of the (included) hex key. Dismounting the speaker is possible by turning the clamps 180 degrees with the hex key. Quick and easy: no more fumbling around with screws on top of a ladder!

This discrete and stylish loudspeaker has a 6 ½" paper cone woofer that results in a very low distortion. To complete the sound, the CM6QFT has an integrated 1" tweeter. It makes the CMQFT very suitable for paging calls and background music. The housing is made of high quality ABS. The grille is made of steel.

Standard color for the CM6QFT is white RAL9010. From 12 pieces on, the loudspeaker can be painted optionally in any other RAL color (REF: PAINTCM).
