

Biamp - Apart CMX 20 T - Plafonski zvučnik

Šifra: 2933

Kategorija proizvoda: Plafonski Zvučnici

Proizvođač: Biamp - Apart

Cena: **8.640,00** rsd

CMX 20 T W/BL/SLV

The APart CMX20T 2-way built-in loudspeaker has an exceptional high quality and very good bass response. It can be used as a 16 Ohm or 100 Volt loudspeaker. In 16 Ohm use, you can connect up to 4 loudspeakers in parallel on each channel of a standard 4 Ohm amplifier. For 100 Volt use, the CMX20T is equipped with a high-quality 20 watt 100 Volt transformer with several power tapings.

The loudspeaker has an 8" enforced polypropylen woofer and 1" tweeter. Due to this enforced woofer, the loudspeaker has a very low distortion! It makes the CMX20T very suitable for the distribution of microphone calls and backgroundmusic at a higher volume level.

The housing is made of high quality ABS. The woofer is made out of enforced polypropylen with a rubber edge, what makes it moisture-proof.

The loudspeaker is easy to install, due to its simple, quick mounting system (3 screws which are hidden behind the loudspeaker grill, which gives the loudspeaker a modern and striking design).

The standard colour is white. From 12 pieces on, the loudspeakers can be painted optionally in any other RAL colour (Ref; PAINT-CM).

Type : 2-way HiFi Pro

Woofer : 8" enforced PP, rubber edge

Impedance : 16ohm / 100Volt

RMS Power 16ohm

Music - Program: 100 Watts

AES Rated: 20 Watts

SPL 1w/1m: 93 dB

Frequency Range : 50 Hz - 20 kHz

@ 1 KHz: 180°

@ 8 kHz: 45°
