Biamp DIWAC - Audio kontroler

Šifra: 11129
Kategorija prozivoda: Oprema za instalacije
Proizvođač: Biamp

Cena: 17.040,00 rsd

The Graphical Installer Interface has been developed to be extremely installer-friendly, this makes it possible for every integrator to configure the required unique solution. The variety of installations where AUDIOCONTROL12.8 can be used is endless and only limited by the installer’s creativity.
The DIWAC is configured as an audio controller with 'source select' and 'volume adjustment' buttons. There is the possibility to assign new functions. The LCD-display has 2 line - 12 character and has a timed (adjustable) white blacklight.
DIWAC fits into most standard in-wall boxes such as our E-MODIN and N-MODIN. Easy mounting (no mounting tools required) on the wall chassis.
