Product description

The H30LT is a powerful industrial horn loudspeaker with compression driver.

This hornspeaker offers you a high sound pressure for speech and the reproduction of alarm signals.

Ideal for long-distance and outdoor use.

The H30LT is made out of high impact ABS ; supplied with a stainless steel bracket to avoid corrosion.

The loudspeaker is equipped with a high quality 100 volt transformer with several power tappings.

The standard colour of the H30LT is ivory. As an option the H30LT can be painted in any RAL colour (Ref; PAINTMP). Please note that the minimum order quantity for PAINTMP is 12 pieces.
