- High-quality semi-balanced Connect it E phono interconnect with gold-plated RCA connectors included
- Special decoupling feet
- Dust cover included

PRO-JECT Essential III HP Piano OM10

Essential III HP is the perfect partner if you want to enjoy your vinyl collection with headphones. The 6.35 mm output on the front offers the option to listen to your records in a more intimate and private way, making sure you don't disturb others. It is perfect for small places - when you do not have space to set up multiple boxes and run cables. The Essential III HP drives your favourite pair of headphones without any compromises in sound
