SPL 2Control - Monitor kontroler

Šifra: 13973
Kategorija prozivoda: Monitor Kontrola
Proizvođač: SPL

Cena: 94.680,00 rsd

Separate volume controls are provided for the speaker outputs and each headphone output. A switchable and adjustable crossfeed control allows narrowing of the headphone output's stereo image to more closely match the natural bleed that occurs when monitoring through speakers. Additional switchable functions include dim, mono, and ground lift.

Analog Volume Control for Your DAW
Analog volume control allows smooth level adjustment without affecting your D/A converter gain
Two Headphone Amplifiers
Two 1/4" stereo headphone outputs are driven by independent amplifiers
Crossfeed Control
The adjustable "Crossfeed" control modifies the channel-to-channel bleed for the headphone outputs, approximating the stereo imaging perceived when monitoring through speakers
Extends the Range of Headphone Applications
XLR and 1/4" outputs allow for critical listening on multiple sets of speakers and headphones
Separate Mono Speaker Output
A dedicated mono XLR output enables connection to a separate mono speaker or a subwoofer
Switches
Source and speaker output switches as well as mono and dim switches provide the main monitoring functions without overloading the user interface
Lightweight and Compact
The 2Control's lightweight, compact enclosure easily integrates into crowded desktop setups and portable rigs

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
