24-bit 96 kHz converters for crystal clear sound

2 gold-sputtered professional condenser capsules

Headphone out with selectable direct/processed signal

Works with virtually all audio and video apps

Includes Lightning, Micro-USB and USB-C cables

Includes windscreen for outdoor use

Custom ASIO driver for superior performance on Windows machines

Noise-free audio and video

iRig Mic Cast HD lets you record crystal clear speech anywhere using your iPhone, iPad or Android device. Dual gold-sputtered electret condenser capsules deliver superior accuracy & detail, and 24-bit, 96 kHz A/D converters offer premium sound quality so you can be sure you’ll always sound your best.

iRig Mic Cast HD's magnetic mounting also makes it easy to position on Mac/PC. Just clip it to your laptop screen by the webcam to add crystal-clear audio to your live-streams, YouTube videos or Skype calls.

Sound great from every angle

iRig Mic Cast HD's innovative design lets you select from front or rear cardioid pick-up patterns, or a bi-directional figure 8 pattern, to reject off-axis noise. Capture clear, impressive recordings whether you're in front of the camera, shooting a subject or conducting an interview.

Ready when you are

Weighing in at just a few ounces, this lightweight mic mounts securely onto your iPad or smartphone. Its innovative magnetic design lets you easily snap it right into place on your device in seconds (even with a case), so it's ideal for field or location work. iRig Mic Cast HD works equally well in both portrait or landscape orientation on phones and tablets.

Supports your existing workflow

iRig Mic Cast HD works with any app that records audio, so you can shoot YouTube videos, film interviews, live stream, or even use it for Skype – however you're currently working, iRig Mic Cast HD will give you a noticeable sonic upgrade without slowing you down. The built-in headphone out can be used to monitor the signal in real-time, and is ideal for newer smartphone models without a headphone jack*, so you're sure to get great results even when you only get one shot.

To get you started right out of the box, iRig Mic Cast HD comes with Lightning, Micro-USB and USB-C cables. Also included is iRig Recorder 3 LE (iPhone/iPad/Android) – an easy-to-use, high quality audio and video app. Record, trim, edit and share, right from your device.

Ideal for use on the go

No matter where your journeys lead, iRig Mic Cast HD is standing by. Its backpack portability makes it an ideal travel companion, and the adjustable gain feature and included windscreen ensure high recording quality anywhere – even in crowds or when outdoors. Best of all, there are no batteries required!

iRig Mic Cast HD delivers a stunning, professional audio solution that's always ready when you are and won't weigh you down. Get ready for audio that stands out from the crowd.

The Creator series from IK Multimedia puts you in the spotlight with fast and easy tools to help you create professional content. Its budget-friendly solutions are ideal for YouTubers, podcasters, live streamers and other social media platforms, and include a variety of mobile and studio-friendly microphones, interfaces and smartphone stands. With convenient features and flexible options, you'll be covered wherever and whenever inspiration strikes.
