

Polk Audio HTS 12 Black Aktivni vufer

Šifra: 14337

Kategorija proizvoda: Hi-Fi Subwooferi

Proizvođač: Polk audio

Cena: **57.480,00** rsd

Designed to Provide Deep Bass for Home Theater and Music

The long-throw 12" driver, Power Port technology, and 400W Class-D amplifier are engineered for enhanced bass impact.

Dynamic Balance Driver

The front-firing polypropylene driver with Dynamic Balance technology is Klippel-optimized to help provide clean, clear bass, enhanced linearity, and lower distortion.

Power Port Technology

The floor-firing Power Port is designed to smoothly transition the air flow into your listening area, reducing turbulence and distortion.

Enhanced Control

The subwoofer has built-in controls for variable volume, low pass filter, and phase. Set the toggle to Auto on/off or DC control (12V trigger). All controls are on the rear panel.

Virtually Universal Compatibility

Connect via the LFE or stereo line RCA inputs.

Lower and Upper -3dB Limits

The HTS 12 features a lower limit of 28 Hz and an upper limit of 120 Hz.

MDF Cabinets

The braced MDF cabinet construction and removable grille combine to deliver enhanced sound with a look that can fit nearly any decor.

Additional Features

Volume +/-

Low pass filter (40 to 160 Hz)

Phase (0/180°)

Power: Auto on/off

DC control via 12V trigger

ENERGY STAR compliant with auto standby

Polk Audio HTS 12 Specs

Subwoofer

Subwoofer Type Active

Enclosure Type Bass-Reflex
