Polk MagniFi 2 not found or type unknown

The

MagniFi 2 sound bar and the included 8" ported wireless subwoofer provide a massive boost of core-pounding, deep bass impact that takes home theater and music listening to the next level.

3-DIMENSIONAL SOUND

AUDIO MODE WITH DOLBY DIGITAL AND DTS DECODING

Polk 3D audio mode can create virtual height channels from any soundtrack. When combined with Polk SDA technology, it delivers a truly immersive 3D surround sound experience.

RICH, IMMERSIVE HOME THEATER SOUND

A six-driver array and included wireless subwoofer combines to create immersive, multi-dimensional virtual surround sound. Compatible with 5.1 Dolby Digital, DTS and exclusive Polk SDA surround technology for an incredible room-filling listening experience.

POLK PATENTED VOICEADJUST TECHNOLOGY

Hear every word. Customize the voice levels in the sound bar to reproduce clear, crisp dialogue and never miss a single word of your favorite movie, TV show or sporting event.

POLK PATENTED SDA SURROUND TECHNOLOGY

Patented Polk Stereo Dimensional Array (SDA) surround technology creates an expansive soundstage and detailed stereo image. The natural multi-dimensional sound experience is unique to Polk MagniFi sound bars.

UNIVERSAL 4K COMPATIBILITY

Works with 4K and HD TVs — plus, three HDMI 2.0 inputs ensure 4k HDR and Dolby Vision content looks great.

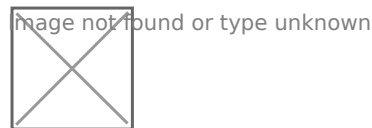

GOOGLE CHROMECAST BUILT-IN

Use Google Chromecast for audio to stream music from your favorite apps including Google Play Music, YouTube Music, Amazon Music HD, Spotify, Tidal, Pandora, Deezer, Qobuz, iHeart Radio and more over Wi-Fi. With a Google Home speaker.

EFFORTLESS BASS

BASS YOU CAN FEEL

Paired with the sound bar, the included wireless subwoofer reproduces deep bass impact you can feel for all your home theater and music needs.

HIGH-PERFORMANCE HOME THEATER SOUND BAR SYSTEM WITH CHROMECAST BUILT-IN

MAGNIFI 2

Polk MagniFi 2 high-performance home theater sound bar and wireless subwoofer system provide bigger, more dynamic sound than traditional sound bars, and is optimized to make movies, TV, video games and music come to life.

Polk Patented SDA Surround Technology

Patented Polk Stereo Dimensional Array (SDA) surround technology creates an expansive soundstage and detailed stereo image. The natural multi-dimensional sound experience is unique to Polk MagniFi sound

bars.

Polk Patented VoiceAdjust Technology

Hear every word. Customize the voice levels in the sound bar to reproduce clear, crisp dialogue and never miss a single word of your favorite movie, TV show or sporting event.

Polk 3D Audio Mode with Dolby Digital and DTS Decoding

Polk 3D audio mode can create virtual height channels from any soundtrack. When combined with Polk SDA technology, it delivers a truly immersive 3D surround sound experience.
