Kategorija proizvoda: Žice za Bas Gitaru  
Proizvođač: Ghs strings

**Cena: 2.880,00 rsd**

Made with nickel-plated steel tightly wrapped around a steel hex core, these strings produce a warm and balanced sound with plenty of punch. Their extra core strength makes them durable and long-playing.

Medium roundwound string set for extra long scale electric basses made with nickel-plated steel wrapped tightly around a steel hex core wire

Extra Long Scale strings with 38" winding length

Balanced brightness and warmth, with punch - great for rock and funk

Extra core strength for durability

Produces lasting sustain

Made in the USA
