Open-Back Design for Spacious Sound  
 Ultra-Soft Ear Pads for Enhanced Comfort

**Enjoy Your Music Like Never Before**

Whether you're at home or on the go, the DTX 910 headphones will offer you fantastic audio quality and amazing comfort. Perfect for enjoying your music, the dynamics and subtleties of classical music as well as the production values of more modern genres will be brought to life through the DTX 910's wide 15 Hz - 23 kHz frequency range while the open back design grants your music a more spacious sound. The adjustable headband and ultra-soft ear pads work together to ensure incredible comfort at all times so you can wear these headphones for hours while the 90-degree swivelling earcups provide further options for wear, storage and transport. Buy the Beyer DTX 910 hi-fi headphones and enjoy your music with great quality audio and comfort to match.
