

# SVS 3000 Micro Piano Gloss Black Aktivni vufer

Šifra: 15054  
Kategorija proizvoda: Hi-Fi Subwooferi  
Proizvođač: SVS

Cena: **119.880,00** rsd

Featuring innovations from the reference SVS 16-Ultra subwoofers married to fully active dual opposing 8-inch drivers, and an 800 watt RMS, 2,500 watt Peak Power Sledge STA-800D2 amplifier with discrete MOSFET output, 3000 Micro delivers performance that obliterates every micro subwoofer that has come before. It also features the powerful SVS subwoofer control smartphone app for advanced tuning and DSP. Finally, a micro subwoofer worthy of the name SVS.

Dual opposing 8-inch active drivers designed acoustically and electrically in parallel

800-watt RMS, 2,500-watt peak Sledge STA-800D amplifier with fully discrete MOSFET output

Rear-mounted internal amplifier with Intelligent Control Interface (ICI)

High-end Piano Gloss Black and Piano Gloss White finish options

SVS 3000 Micro Piano Gloss Black Aktivni vufer

Screw-in rubber feet

Structurally reinforced MDF cabinet construction

Fully Active Dual Opposing 8-inch Drivers

Image not found or type unknown

**Fully  
Active  
Dual  
Opposing  
8-inch  
Drivers**

A first-  
ever  
design  
for SVS,  
two  
fully  
active 8-  
inch

woofers  
are  
mounted  
on  
opposite  
sides of  
the  
sealed  
cabinet  
and  
move in  
perfect  
unison  
to  
generate  
stunning  
low  
frequency  
output  
with  
crisp,  
musical  
transients.  
The  
usable  
surface  
area of  
two  
fully-  
active 8-  
inch  
woofers  
firing in  
opposite  
directions  
achieves  
performance  
on par  
with  
significantly  
larger  
single-  
driver  
subwoofers.  
Its tight,  
punchy  
output  
obliterates  
multi-  
driver  
passive  
radiator  
subwoofer  
designs  
known  
for their  
bloated  
and  
boomy

sound.

Innovative Motor Assembly

Image not found or type unknown

**Innovative  
Motor  
Assembly**

An oversized, vented motor structure is optimized for efficient thermal and mechanical-energy management in a confined space. Massive electromagnetic force produced by the motor, in

symphony  
with the  
high  
current  
driving  
power  
of the  
Sledge  
amplifier,  
allows  
the  
3000  
Micro to  
maximize  
on the  
output  
potential  
of the  
dual  
drivers.

Sledge STA-800D2 Amplifier

Image not found or type unknown

**Sledge  
STA-  
800D2  
Amplifier**

An 800  
watt  
RMS,

2,500+  
watt  
peak  
power  
Sledge  
STA-  
800D2  
power  
amplifier  
that  
combines  
the high-  
current  
output  
of  
discrete  
MOSFETs  
with  
Class D  
efficiency  
and the  
processing  
power  
of an  
Analog  
Devices  
DSP.  
The  
3000  
Micro  
subwoofer's  
amplifier  
effortlessly  
produces  
sustained  
high-  
current  
output  
for the  
most  
difficult  
low  
frequency  
playback  
without  
clipping  
or  
bottoming  
out.  
Convincing,  
high-  
impact  
audio  
experiences  
without  
a trace  
of  
distortion.

<b>Dimensions (including grilles)</b>	10.9" (278mm) H X 11.7" (297mm) W X 10.7" (271mm) D
<b>Weight:</b>	22.5lbs (10.2kg)
<b>Packaged Dimensions:</b>	13.9" (353mm) H X 15.4" (390mm) W X 15.4" (390mm) D
<b>Packaged Weight:</b>	26.7lbs (12.1kg)
