## SVS 3000 Micro Piano Gloss Black Aktivni vufer

Šifra: 15054  
Kategorija proizvoda: Hi-Fi Subwooferi  
Proizvođač: SVS

**Cena: 119.880,00 rsd**

### SVS 3000 Micro Piano Gloss Black Aktivni vufer

Featuring innovations from the reference SVS 16-Ultra subwoofers married to fully active dual opposing 8-inch drivers, and an 800 watt RMS, 2,500 watt Peak Power Sledge STA-800D2 amplifier with discrete MOSFET output, 3000 Micro delivers performance that obliterates every micro subwoofer that has come before. It also features the powerful SVS subwoofer control smartphone app for advanced tuning and DSP. Finally, a micro subwoofer worthy of the name SVS.

Dual opposing 8-inch active drivers designed acoustically and electrically in parallel

800-watt RMS, 2,500-watt peak Sledge STA-800D amplifier with fully discrete MOSFET output

Rear-mounted internal amplifier with Intelligent Control Interface (ICI)

High-end Piano Gloss Black and Piano Gloss White finish options

Screw-in rubber feet

Structurally reinforced MDF cabinet construction

Fully Active Dual Opposing 8-inch Drivers

**Fully  
Active  
Dual  
Opposing  
8-inch  
Drivers**

A first-ever design for SVS, two fully active 8-inch woofers are mounted on opposite sides of the sealed cabinet and move in perfect unison to generate stunning low

frequency  
output  
with  
crisp,  
musical  
transients.  
The  
usable  
surface  
area of  
two  
fully-  
active 8-  
inch  
woofers  
firing in  
opposite  
directions  
achieves  
performance  
on par  
with  
significantly  
larger  
single-  
driver  
subwoofers.  
Its tight,  
punchy  
output  
obliterates  
multi-  
driver  
passive  
radiator  
subwoofer  
designs  
known  
for their  
bloated  
and  
boomy  
sound.

Innovative Motor Assembly

Sledge STA-800D2 Amplifier

Innovative  
Motor  
Assembly

Sledge  
STA-  
800D2  
Amplifier

An oversized, vented motor structure is optimized for efficient thermal and mechanical energy management in a confined space. Massive electromagnetic force produced by the motor, in symphony with the high current driving power of the Sledge amplifier, allows the 3000 Micro to maximize on the output potential of the dual drivers.

An 800 watt RMS, 2,500+ watt peak power Sledge STA-800D2 power amplifier that combines the high-current output of discrete MOSFETs with Class D efficiency and the processing power of an Analog Devices DSP. The 3000 Micro subwoofer's amplifier effortlessly produces sustained high-current output for the most difficult

low  
frequency  
playback  
without  
clipping  
or  
bottoming  
out.  
Convincing,  
high-  
impact  
audio  
experiences  
without  
a trace  
of  
distortion.

<b>Dimensions (including grilles)</b>	10.9" (278mm) H X 11.7" (297mm) W X 10.7" (271mm) D
