Celestion BN12-300S 8ohm NEO Magnet Bass Guitar Speaker 12"

Celestion BN speakers provide the punchy bottom end that will support the rest of the band while carry forward your individual expression. Celestion's Orange Label speakers are primed for high-powered rock performances, where a full-bodied, warm, defined tone is essential.
Orange Label drivers are highly efficient with fast response times - making them ideal for clean, snappy percussive styles, including slap bass. These efficient speakers feature enhanced mid-range punch to cut through the mix while delivering solid lows.
More punch and volume, with only half the weight!
If you are looking to build a cab with the Celestion BN12 300S take a look at the lightweight ZOOT Bass Guitar Cabs we offer, it may save you the hard work!!!
