Free Style Monitoring with Swing Arm Mechanism

270°Swing Arm Mechanismm

The EAH-DJ1200 is a lightweight on-ear type design. The housing is equipped with lockable swiveling mechanisms so the headphones can be used for monitoring with one ear. It adapts to all styles of monitoring by DJs. The headphones can be folded compactly for easy portability and storage.

High Durability to Withstand Harsh Usage by Professional DJs Locking Detachable Cord

The detachable cord is easy to clean and maintain. A locking mechanism is provided to prevent accidental detachment of the cord during use. The stretchable coiled cord, coupled with the L-type plug which resists internal wire breakage, enables extra ease of use and high durability. It withstands harsh and intense usage by professional DJs.

New Black Design

Based on the RP-DJ1200, which remained as a long-selling model in the market for more than 20 years, the EAH-DJ1200 sports a contemporary black color scheme for an updated appearance. Armed with high durability and excellent functionality, the EAH-DJ1200 matches perfectly with the SL-1200MK7, which features a matte black finish.

Stereo Headphones EAH-DJ1200

Driver Unit

40 mm (1-9/16 in)

Impedance (with Detachable Coiled Cord)

45 Ω
