WHARFEDALE EXSON M Black Bluetooth zvučnik

The stylish, shockproof rubber exterior is combined with an IPX7 waterproof rating, thus making it possible to survive the harsh outdoor elements, including submergence in water and even a covering in sand, dirt or dust!

A built-in 2500mAh rechargeable battery offers up to 8 hours of playtime as well as allowing you to charge your phone or tablet devices on the go – thanks to a built-in power bank functionality.

For the true adventurer, the Wharfedale Exson M also uniquely features a high-power LED flashlight functionality. So, unlike any other portable Bluetooth speaker, the Wharfedale Exson M is your one-stop solution of portable power, torch and music for the great outdoors!

EXSON-M

Wharfedale Exson M is the ultimate versatile portable Bluetooth speaker for the active lifestyle.

With Wharfedale's Maxx Bass DSP the Exson M is loud, detailed and rumbles with bass!
