

Mitchell Acoustics uStream One Bežićni zvučnici

Šifra: 15791

Kategorija proizvoda: Wireless Zvučnici

Proizvođač: Mitchell Acoustics

Cena: **35.880,00** rsd

A hi-fi stereo wireless music system featuring two identical bookshelf (or stand mount) active speakers deploying the latest in True Wireless Bluetooth technology to connect to each other with no connecting cable between left and right speaker. Simply plug into the electrical power and switch each unit on. Power on the Left speaker first (this becomes the master) and the Right unit will become the Slave. Within a few seconds they will connect ready for a Bluetooth playback source to be paired to them as a single device. Featuring our proprietary designed bass driver with metal alloy diaphragm capable of delivering amazing low frequency sound smoothly and with great control. Coupled with the high frequency driver, the stereo soundscape is comparable to systems carrying a much higher price tag. Perfect as a small stereo system or as an alternative to a TV soundbar. A powerful listening experience and as simple as possible to set up. A hi-fi grade system with no extra electronics or cables to clutter your living space. Available in durable high-gloss piano black or piano white finish.

Specification

Rated Output Power 35W woofer x 2, 15W tweeter x 2W, 1 kHz, 0.5 % THD (IEC) per unit

Dynamic Power 100W RMS (50w RMS per channel)

THD (Total Harmonic Distortion) THD < 0.5% at 1W 1KHz

Impedance 8 ohms

Frequency Response Range 33Hz - 20KHz

Signal to Noise Ratio > 82dB

Digital Inputs OPTICAL 1 (Rear)

Analog Inputs RCA x 2, 3.5mm jack, USB

Power Supply DC 24V via AC 110-230V, 50/60 Hz power supply

Amplifier Texas Instruments TPA-3116D2 Class D

Speaker Driver Size 106mm bass driver, 38mm treble driver

Diaphragm Magnesium Alloy woofer / Silk composite tweeter

Voice Coil Proprietary design voice coil with 20oz (566g) neodymium magnet

Bluetooth Chipset Action Technology Version 5.0 SBC Codec with TWS

(capable of 24/48 @ 345kbps)

Origin China

Accessories DC power adaptor, US/Canada cable, EU cable, EU-UK adaptor

Remote control handset, RCA to 3.5mm cable, 3.5mm to 3.5mm cable

Dimensions Unit Dims: (W x H x D) 150mm (5.91") x 237mm (9.33") x 230 mm (9.17") (each spkr)

Packaging Dims:350mm (13.78") x 330mm (12.99") x 490mm (19.29") (2 spkrs per box)
Weight 3.6kg (8lb 8oz) each speaker (Gross box weight 10kg (27lb 8oz) per set)
