

IK Multimedia iLine - DSLR adapter

Šifra: 16098

Kategorija proizvoda: Patch Kablovi

Proizvođač: IK MULTIMEDIA

Cena: 1.440,00 rsd

The iLine Camera Adapter works by sending the mono microphone signal from the iRig Mic model or iRig Pre or iKlip A/V TRRS output to both the left and right channels of the TRS stereo input on your camera. This provides full, rich audio content with less background noise and full range frequency response.

1/8" (3.5mm) TRRS female to 1/8" (3.5mm) TRS male

Length: 3.94" (10cm)

24K gold-plated connectors

High-purity copper conductors

Low-capacitance insulation

High-density shielding
