PURE FREE SPACE
THE NEW BEYERDYNAMIC SPACE

Experience unlimited freedom with beyerdynamic SPACE. Thanks to a combination of innovative microphone technology and high-quality speaker system, this reliable personal speakerphone will always ease your workload – whether you're working in the office, from home or listening to your favourite music in your free time. Utilise your freedom and concentrate on what's important – any time, anywhere.

THE BEST OF BOTH WORLDS
HANDS-FREE SOLUTION
MEETS BLUETOOTH® SPEAKER
BEYERDYNAMIC REFERENCE SOUND

Whether reproducing voices or playing your favourite hits: equipped with a 1.5-inch full-range speaker, beyerdynamic SPACE will mesmerise you with our excellent sound quality. The speaker automatically switches between Voice Mode for clear voice reproduction and Music Mode for lively music playback.

DOUBLE PLEASURE

Thanks to True Wireless, two beyerdynamic SPACE can be coupled for spatial stereo playback – perfect for a impressive musical experience or enthralling business presentation.

360° SMART MIC TECHNOLOGY

With 360° SMART MIC TECHNOLOGY, beyerdynamic SPACE offers maximum freedom of movement for telephone calls and meetings with up to six participants. The four integrated MEMS microphones automatically detect whether the incoming sound is voices or noise and suppress unwanted reverberation, echoes or feedback.
beyerdynamic SPACE automatically adjusts the volume of voices, ensuring dialogue is always harmonious. Full-duplex allows participants to speak simultaneously and still be heard, without dropouts or cut offs.

PERFECTLY MATCHES YOUR COMMUNICATION APP
EXTENSIVE PLATFORM COMPATIBILITY

Thanks to broad compatibility, phone calls, meetings, or private calls can be made quickly and easily across communication platforms such as Microsoft Teams® and Zoom, and many more. We are officially certified for Zoom and 100 % compatible with Microsoft Teams.
Offically Zoom Certified

AN EYE-CATCHER IN EVERY SPACE

Inspired by modern interior design and stylish shapes, beyerdynamic SPACE has been developed to suit any room. Available in three colours – Nordic Grey, Charcoal and Aquamarine – there’s a favourite for everyone. Equipped with an antibacterial textile, this speakerphone meets the requirements of the modern world of work and, together with the intuitive LED operating panel, is a real eye-catcher in any space.

MEETS THE DEMANDS OF EVERYDAY LIFE

With a battery time of up to 20 hours, the beyerdynamic SPACE offers flexibility without the need for constant charging. And if you happen to be running late: just ten minutes of charging will enable the speakerphone to be used for up to two hours. And the compact size of the beyerdynamic SPACE makes it perfect when changing location. You can quickly store the personal speakerphone in its drawstring bag and safely switch between using it in your home, in the office or for your leisure activities. Its IP64 certification also confirms that it is protected against water spray.

IDEAL FOR BUSINESS

beyerdynamic SPACE meets all of the demands that companies place on conference solutions in everyday office life. It is perfect for use in single offices, huddle rooms and small meeting rooms. A combination of button enables it to be switched from Private Mode to Business Mode for use in a meeting room. This prevents it from inadvertently connecting to a nearby device that was previously connected to beyerdynamic SPACE via Bluetooth®.

With the help of the integrated Kensington lock, this mobile speakerphone can be secured against theft in small meeting rooms or huddle rooms.

The integrated ¼-inch screw thread offers a multitude of installation options.
