Šifra: 16711

Kategorija proizvoda: Lavalier i Ostali Mikrofon

Proizvođač: Saramonic

Cena: **15.480,00** rsd

Thanks to the DK3A's compact size (4mm diameter), it can be easily kept out of sight. Its omnidirectional polar pattern picks up sound from all directions, allowing it to capture speech consistently even if the mic is not pointed directly at the subject.

The DK3A includes fitted metal and foam windscreens for indoor use and furry windscreens with elastic fastening clips for effective wind noise reduction during outdoor shoots. A soft case is supplied for safe and convenient transport of the mic and its accessories.

Microphone Features

Specially tailored for the dialog, it delivers a crisp, full-frequency response and increased vocal intelligibility

Omnidirectional polar pattern provides 360 degrees of sound pickup

Ideal for capturing natural sounding dialog for video productions, interviews, speech, and many other indoor/outdoor applications

At 4mm in diameter, it is easily concealed, disappearing when hidden under clothing, in hair, or on costumes

Microphone, metal mic clip, and five included windscreens all fit neatly into pockets in the included compact soft case

Furry windscreens feature bands and fasteners, allowing you to wrap the windscreen closely to the mic for added protection from the wind, and to prevent it from falling off

Metal and foam windscreens are fitted for optimal attachment

5.9' Attached Cable with Locking Connector

The gold-plated locking 3.5mm TRS connector is compatible with numerous wireless systems from Saramonic, Sennheiser, Rode, Azden, Nady, Senal, BOYA, and more, plus audio recorders with 3.5mm microphone inputs with plug-in power from manufacturers like Zoom, Tascam, Sony, Marantz, Roland, and more, and even DSLR, mirrorless, and video cameras with 3.5mm microphone inputs that provide plug-in power
