FOCAL Clear MG Brown HiFi Slušalice

Šifra: 16271
Kategorija prozivoda: Over-Ear Slušalice
Proizvođač: Focal

Cena: 169.080,00 rsd

COMFORTABLE AND ULTIMATE OPENNESS
The solid aluminium yoke perfectly hugs the face whilst the leather and microfibre-covered headband follows a smooth curve regardless of head circumference. The perforated microfibre earpads play a key part in comfort levels whilst also contributing to the open sound of the headphones. This openness is further enabled by the honeycomb design of the earcups' external grille.

INNOVATION DEDICATED TO SOUND
After four years of research and development, the engineers at Focal have designed a magnesium dome for the Clear Mg speaker drivers. Combined with an 'M'-shaped dome, this material promotes even more lightness, rigidity and damping, the three success factors for a speaker driver. This innovation brings great dynamics and detail across the full sound spectrum while preserving a neutral and balanced signature. The 'M'-shaped grille inside the earcup follows the curves of the speaker driver for even greater precision.

RUNNING-IN PERIOD
These headphones require a running-in period in order to operate at their best.
They will run themselves in naturally after several hours of listening time.
If you want to speed up the process, we recommend playing very bassy music through them for at least 24 hours at a relatively high volume.
This will stabilise the speaker drivers and allow you to get the very best out of your headphones.

PREMIUM MATERIALS
Solid aluminium, genuine leather, microfibre: the premium materials chosen for Clear Mg are a clear quality gauge but also provide unique elegance. Timeless and design-led, the honeycomb pattern on the external grille of the earcups plus the Chestnut and Mixed Metals finish are a thing of beauty. Quite simply, they are unique in their sophistication.

ACCESSORIES INCLUDED
Rigid woven carrying case in colours to match the headphone
2 low resistivity 24 AWG OFC copper cables:
- 1 x 3.9ft (1.2m) mini-jack cable with 1/4" (6.35mm) jack adapter
- 1 x 9.8ft (3m) 4-pin XLR cable
Optional: a stand allowing you to display the Clear Mg Headphones indoor

Key points
High-fidelity open-back headphones for consumer use, made in France
New dome material: Magnesium, for lightness and damping

• Remarkable sound performance: perfect dynamics, detail and balance
• Comfortable and ergonomic
• Low impedance (55 Ohms) to achieve very good performance with a portable player

Type Circum-aural open-back headphones
Impedance 55 Ohms
Sensitivity 104dB SPL / 1 mW @ 1kHz
THD 0.25% @ 1kHz / 100dB SPL
Frequency response 5Hz – 28kHz
Speaker driver 15/8" (40mm) ‘M’-shaped magnesium dome
Weight 0.99lbs (450g)
Cables supplied • 1 x 3.9ft (1.2m) mini-jack cable with 1/4" (6.35mm) jack adapter
• 1 x 9.8ft (3m) 4-pin XLR cable
• 1 jack adapter, 1 1/8" (3.5mm) female – 1/4" (6.35mm) male
Carrying case provided 97/8x91/2x43/4" (250x240x120mm)

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
