

ARCAM SOLO UNO Integrisano Mrežno Pojačalo

Šifra: 16572
Kategorija proizvoda: Integrisana Pojačala
Proizvođač: ARCAM

Cena: 71.880,00 rsd

The Solo Uno brings total simplicity to the complex world of audio streaming by providing a compact, stylish and elegant streamer with a built-in amplifier.

Boasting the classleading Arcam sound quality, the effortless system requires just two speakers, the Solo Uno and a mobile device using the native music app of choice via Apple Airplay2 or Google Chromecast. In addition, the Solo Uno can be updated “over the air” automatically to provide enhanced future streaming features and years of listening enjoyment.
