Designed For Your Ears The Mu3s are perfectly balanced in the ear thanks to the smart way they are weighted. Four subtly different sized ear tips are designed to rest on the ear concha, ensuring you get the most comfortable fit, while also providing the perfect seal for noise isolation and to keep them securely in place. Intuitive Gontrolype unknown **Intuitive Control** KEF's engineers understand that control is vital when using earphones, which is why the Mu3 features a highly intuitive, incredibly responsive user interface. Each of the earbuds includes a multi-function button for full control of music playback, volume and calls for instant control. **Active Noise Cancellation -** Tuned to eliminate external sound while preserving nuance and detail **Bluetooth 5.0 -** For exceptionally stable connections with both iOS and Android devices Ergonomic design - For comfort and fit
