SVS Prime Wireless PRO Soundbase

Šifra: 16900
Kategorija prozivoda: Integrisana Pojačala
Proizvođač: SVS

Cena: 95.880,00 rsd

Streams High-Resolution audio wirelessly while delivering 300 watts (150 watts x 2) of power, enough to drive any speakers to sound their best. Features WiFi, Apple Airplay 2 for iPhones and iOS, Chromecast for Android phones and other devices, and Bluetooth. Connect directly to your TV via HDMI or other components via Line In, Optical, and more. Control easily via smartphone/desktop app, IR remote, front panel interface, or voice.

A reimagining of the integrated stereo amplifier for the streaming age, SVS Prime Wireless Pro SoundBase marries audiophile-grade components, effortless power, multiple streaming options, and intuitive control. Simply add speakers for an uncompromised listening experience.

Housed within the compact, high-tech looking enclosure is a robust 300 watt (150 watts per channel) stereo amplifier with 192kHz/24-bit DAC capable of driving any speakers to their full potential with pristine clarity, stunning dynamics, and powerful bass.

Audiophiles will love that Prime Wireless Pro SoundBase streams lossless High-Resolution Audio wirelessly via WiFi, Apple Airplay 2 for iPhones and iOS, and Chromecast for Android phones and other devices. Enjoy the best quality sound from all your streaming services with no compromising. You can also stream via Bluetooth.

It connects directly to your TV via HDMI as a source component in an immersive home theater stereo system. Plus, with line level, optical, 3.5mm AUX, and ethernet, it has inputs for a range of components. And of course, a subwoofer output for deeper, more immersive bass.

Bringing it all together is easy control via the smartphone and desktop app, IR remote, voice commands, and a data rich front panel interface with loads of unique features.

Finally, wireless audio meets the Sound R|Evolution.

Transcendent Sound for the Modern Audiophile.
Inspired engineering breeds reference performance as the SVS Prime Wireless Pro SoundBase is challenging the notion that wireless audio is just for background music. The future of HiFi is here.

Inspired engineering breeds reference performance as the SVS Prime Wireless Pro SoundBase is challenging the notion that wireless audio is just for background music. The future of HiFi is here.

192kHz/24-Bit DAC for High-Resolution Streaming over WiFi
Sophisticated digital to analog convertor renders highest quality playback from all streaming services and connected devices.

Versatile Connectivity
HDMI input with ARC/eARC for High-Resolution stereo sound from your TV
Line level, optical, AUX, and ethernet inputs for connecting to a wide range of devices
Premium 5-way loudspeaker binding posts for spades, banana plugs or bare wire connection
Subwoofer output for deeper, heart-pounding bass
Line level output lets it be a source component in an existing system
Multi-room/Whole Home Audio compatible with all DTS Play-Fi enabled products

Smart and Seamless Control
Native control via Apple Airplay 2 for iPhone and iOS, Spotify Connect, & Google Chromecast for Android Phones and Devices
Smartphone, tablet, or PC control with the DTS Play-Fi app
Data-rich front panel user interface
IR Remote
Alexa, Siri, and Hey Google voice commands via supported devices
Bluetooth with aptX and AAC
6 custom presets for instant access to playlists, streaming music services, and more with touch of a button
Multi-room/Whole Home Audio compatible with all DTS Play-Fi enabled products

Custom Presets for Your Favorite Content
6 custom preset buttons on the front panel and remote provide instant access to your favorite podcast, playlist, streaming station, or other content, with a single touch.

Acoustic Data
• Rated Bandwidth: 10Hz-20kHz (±1 dB)
• SN Ratio: 90dB @1V input, 2 x 150W output
• Power Amp: 300 watts RMS (150 watts x 2 into 4ohm)
Overall Dimensions: (includes feet, knobs, rear in/out jacks, speaker terminals):
• 82.0mm (H) X 230.8mm (W) X 223.8mm (D)
• 3.23" (H) X 9.10" (W) X 8.81" (D)
Packaged Dimensions:
• 156mm (H) X 300mm (W) X 300mm (D)
• 6.14" (H) X 11.81" (W) X 11.81" (D)
Amplifier Specs:
• 300 Watt (150 watts x 2) Class-D Power Amp
Wireless Streaming Options:
• DTS Play-Fi: Lossless 192kHz/24-bit via Critical Listening Mode over WiFi
• Apple Airplay 2 for iPhones and iOS devices, Chromecast for Android Phones and Devices: CD Quality
• Bluetooth 5.0 with AAC and aptX
• Spotify Connect
Input Specs
• HDMI audio input. Supports ARC and eARC
• Left/Right RCA Input: Input Impedance: 20K
• 3.5mm Aux Input: Input Impedance: 20K
• Toslink Optical Input: S/PDIF receiver works at a wide range of sampling frequencies up to 96kHz
• Bluetooth 5.0 with AAC and aptX
• 6 front panel presets for one-touch access to music services and playlists
• Ethernet
• USB service port also for powering wireless accessories (See SoundPath Wireless Audio Adapter)
• 3.5mm IR control input
Output Specs:
• Subwoofer Output: 2V MAX
• Left/Right RCA Output: 2V MAX
• Front 3.5mm headphone output: 1V@32Ωmax
• Ethernet
General Specs
• 3.15” wide Front Panel OLED display
• Switch Mode Power Supply: Auto Switching 100 – 120V / 220 – 240V, 50/60Hz
• Fuse - 6.3A/250V
• Detachable power cord

- IR Remote control and 2 AAA batteries included
