Lenco LS-310WD Gramofon sa pojačalom i zvučnicima
easily switch from 33 to 45 RPM to play your previous LPs or single records. With the 2 separate wooden speakers, you can fill any room with music.

The record player also has Bluetooth® so you can easily stream music from your smartphone or Bluetooth® device.

At Lenco, we understand how important it is to preserve your vinyl. The Lenco LS-310 is equipped with an auto-stop. This function causes the record to stop rotating and prevents scratches from occurring, allowing you to enjoy your precious records for longer.
