MACKIE EM-93M

With  
the

included mounting hardware and the ability to run off a simple 3.5mm connection, the EM-93M couldn't be easier to set up. Separate cables with TRS and TRRS jacks are provided for connecting to DSLRs and mobile devices respectively, and the mic also comes complete with foam and furry windscreens for eliminating unwanted wind noises.

### Ready to Go, Right out of the Box

The EM-93M is ready to start creating content right away, with no messy batteries and full plug-and-play compatibility with any DSLR cameras or smartphones that possess an audio input. Just unpack the camera, hook up the appropriate cable and jack to your device, and start recording crystal clear audio immediately. Includes convenient shockmount and camera shoe adapter for noise-free recording while mounted onto most cameras  
Incredibly lightweight at well under a pound  
Comes with furry windscreen for blocking wind noise and foam windscreen for indoor or general use  
Includes 3.5mm TRS and TRRS cables for DSLRs and phones  
3.5mm TRS jack (black) for DSLRs, 3.5mm TRRS jack (green) for phones
