

MACKIE MC-60BT

Šifra: 17106

Kategorija proizvoda: Wireless Slušalice

Proizvođač: MACKIE

Cena: 23.880,00 rsd

Ambience Mode

Interact with the world without taking off your headphones. When Ambience Mode is activated, external sounds that were cancelled are let back in, letting you have a quick chat or be more aware of your surroundings.

Dual Devices

The MC-60BT headphones can be paired to two Bluetooth-compatible devices at the same time and seamlessly switch between them as needed. For example, you can be listening to a streaming video on your tablet, then take an incoming phone call without having to re-pair to each device.

Dual Charging

You have two options when it comes to recharging the MC-60BT headphones. You can plug them into an optional USB-C power adapter or place them on the included wireless charging pad.

Comfortable & Compact

The comfortable and compact design of the MC-60BT features a padded headband and earcups for long listening sessions, and a collapsible construction for easy storage and transport in the included hard carry case.

Additional Features
