

## MACKIE CR2-X Cube - Studijski monitor

Šifra: 17111  
Kategorija proizvoda: Aktivni Studijski Monitori  
Proizvođač: MACKIE

**Cena: 20.280,00 rsd**

### MACKIE CR2-X Cube - Studijski monitor

#### Highlights

BMR driver technology for immersive room-filling sound  
Capacitive-touch volume and mute controls  
Compact design takes up minimal desk space  
Three inputs: USB-C, 3.5mm, and Bluetooth 5.0  
Subwoofer output with jack detection  
Subwoofer crossover mode  
Headphone output

#### Hearing Is Believing

Tired of small speakers that sound small? Mackie is too. They decided it was time to change that starting with the CR2-X Cube. These beauties utilize innovative BMR driver technology that delivers crystal-clear and ultrawide room-filling sound possible. Gamers that want full immersion with a level of detail that reveals every shot, footstep, and distant explosion should look no further. How about music? The CR2-X Cube speakers deliver incredible spatial accuracy and imaging, which means vocals will sound right in front of you, guitars will have depth and dimension, and everything else will claim a distinct spot in the listening area.

#### BMR Driver Technology

The BMR (Balanced Mode Radiator) drivers make it possible to deliver clear and immersive sound from a stealthy, compact enclosure. This innovative flat-disc design eliminates the need for a separate high-frequency driver and crossover while also removing any boxy megaphone effects common with traditional speaker cones. Despite their small size, you will experience room-filling dispersion, lifelike stereo imaging, and rich full-range sound normally reserved for much larger speakers.

#### Sleek Control

Along the base of the main speaker is an integrated touch bar that allows easy and elegant control over volume. And just to the right, a convenient source button allows you to quickly switch between Bluetooth 5.0, 3.5mm analog, or USB.

#### Mackie CR2-X Cube Specs

Speaker System  
Channel Configuration 2-Channel  
Speaker Configuration Full-Range  
Amplifier Power Rating 60 W Peak  
Drivers 1 x 3.25" / 82.55 mm Tweeter (per Speaker)  
Enclosure Type Sealed  
Frequency Response 58 Hz to 20 kHz (-10 dB)  
Wired I/O 1 x 1/8" / 3.5 mm Output (Subwoofer)  
1 x 1/8" / 3.5 mm Output (Headphone)  
1 x 1/8" / 3.5 mm Input (Audio)  
1 x USB-C Input (Audio)  
2 x RCA Input (Audio)  
2 x RCA Output (Audio)  
Amplifier Class Class-D  
SPL 103 dB  
SNR (Signal-to-Noise Ratio) 90 dB  
Controls Bluetooth Pairing, Mute, Power, Volume  
Wireless Connectivity  
Wireless Connection Protocols Bluetooth

Bluetooth 5.0

Power

AC Input Power 100 to 240 VAC, 50 / 60 Hz

DC Input Power 24 VDC at 2.7 A

Compatibility

Supported Sample Rates Up to 48 kHz / 16-Bit

Physical

Placement & Mounting Options Tabletop/Bookshelf

Operating Temperature 32 to 113°F / 0 to 45°C

Dimensions Each Speaker:

4.7 x 6.4 x 6" / 11.9 x 16.3 x 15.2 cm

Weight 6.3 lb / 2.9 kg
