Immersive audio
With aptX for high-quality wireless transmission, you can enjoy an incredibly immersive audio experience, whether you’re listening to your favourite music or the latest blockbuster movie.

TWS technology for true audio performance
A stable and reliable connection between earbuds means high-performance sound.

Quick, convenient wireless charging
Pi5 S2 will charge on any wireless charging pad, for seamless charging on the go. And Quick Charge Support means just 15 minutes of charging is good for two hours of listening and communication time — so you’re never separated from your music.

Advanced hybrid noise-cancellation
Ensure your listening pleasure is never compromised: our sophisticated noise-cancelling technology banishes unwanted noise and interruptions.
