Technics EAH-AZ80E-S Silver Bežične slušalice

Šifra: 17483
Kategorija prozivoda: Wireless Slušalice
Proizvođač: Technics

Cena: 32.292,00 rsd

Earpiece Design	In-Ear (Intra-Aural)
Active Noise Cancellation	Yes
Sensors	Touch
Frequency Response	20 Hz to 40 kHz
Number of Voice Mics	8
Noise Cancelling Microphone	Yes
Runtime	7 Hours (BT+ANC)
Wireless Charging	Qi

Additional Runtime with Charging Case	16 Hours (BT+ANC)

Signature Technics Clear Sound—10mm aluminum drivers and unique acoustic technology offer a detailed rich sound for an exceptional audio experience

Intuitive smart features—With seamless device switching, crystal-clear call clarity, convenient single-earphone use, easy sound control, and long battery life

All-day comfort design—Low-profile design with natural concha fit to stay comfortable and in place throughout even your most active days

Full spectrum sound experience provides detailed Technics hi-fi sound with powerful bass. An enhanced low-distortion bass response is achieved with large 10mm free-edge aluminum alloy diaphragms

Audio as it should be—Featuring an acoustic control chamber for natural midrange with powerful bass. Plus a harmonizer for expansive sound with less distortion. Supports LDAC high-res wireless audio delivered in 96 kHz / 24-bit LDAC when connected by Bluetooth to a compatible device

Pure listening—Dual Hybrid Active Noise Cancelling tech using feedforward and feedback mics, plus analog and digital processing—for uninterrupted category-leading hi-fi sound performance

Multipoint connection to 3 devices—Seamless switching for up to 3 devices (e.g. PC, smartphone, and tablet) using category-first functionality

JustMyVoice technology—8 separate mics plus advanced wind noise reduction, to isolate and amplify speech while minimizing background noise

Convenient single-earphone use—Keep one ear open, or charge one earphone while using the other. Customize touch sensors through the Technics app

Control the sound around you—Natural Ambient mode lets you select how much background sound to hear, while Attention mode focuses on speech

Long battery life—Up to 7 hours playback with ANC on, 24 hours back-up with the case. Quick charge for 70 minutes of playback

Easy Qi wireless charging—Simple fast wireless charging by placing the earphone case on a compatible charger.

Technics Audio Connect app—Easy setup, battery level check, select EQ sound modes, adjust noise cancelling levels and customize touch sensors with this intuitive app

Natural concha fit—Carefully shaped to fit the concha groove just above the ear opening for a comfortable and secure fit

Premium look and feel—Sleek aluminium trim with engraved Technics logos for a reassuringly crafted and tactile experience

100% plastic-free packaging—New plastic-free packaging. Plant-based bioplastic is used in the earphones and charging case

IPX4 water resistance—With IPX4 water resistance for the real world with no worries about rain or intensive workouts in the gym.

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
