Šifra: 17848
Kategorija prozivoda: Centralni Zvučnici
Proizvođač: Bowers & Wilkins

Cena: 77.880,00 rsd

Celebrate clarity
Powerful enough to partner with 603 S3 and compact enough to fit with any piece of furniture, HTM6 S3 brings more realism and accuracy to your home theater experience.

Layered, beautiful details
The new HTM6 S3 introduces our all-new Titanium Dome tweeter, which combines exceptional resolution and insight with smooth, refined high-frequency reproduction. The result? An accurate and immersive insight into your favourite music.

Truly amazing sound
HTM6 S3 introduces our new and even more acoustically transparent tweeter grille mesh, first developed for our revered Signature models. Alongside the new Titanium Dome tweeter, the resolution and realism is exceptional.

Precision and transparency
Thanks to its composite construction, the Continuum cone avoids the abrupt transitions in behavior that can impair the performance of a conventional drive unit. With HTM6 S3, experience a more open, neutral performance that delivers voices and instruments with precision and transparency.

Upgraded speaker terminals
Derived from the speaker terminals recently introduced in our 700 Series range, the speaker terminals on the new HTM6 S3 feature an improved layout and a cleaner signal path between your amplifier and your loudspeakers.

600 Series
The essential loudspeakers for music lovers.

Size & weight

Dimensions	Height: 16 Width: 480 Depth: 25 283 mm (1
Net weight	7.7kg (17l
