D'Addario EJ44 Pro-Arte Extra Hard Tension - Žice za klasičnu gitaru

Rooted in generations of D'Addario string making expertise, Pro-Arte' Nylon is our archetypal classical set. The bass strings are made with a multifilament nylon core and wound with silver-plated copper, for an exceptionally warm and consistent response. Coupled with clear nylon treble strings, which deliver sweet, mellow highs, Pro-Arte' Nylon gives you the sound and feel that has come to define classical guitar. This Extra Hard tension set provides maximum string resistance and projection.
