Tone aficionados kept telling Mike Matthews about a pedal that had achieved a lot of buzz because it was only obtainable at an exorbitant price. That pedal was the Klon Centaur.

A believer in bringing great tools to starving musicians, Mike tasked his trusty team to create an affordable alternative, and that is how the EHX Soul Food Transparent Overdrive was cooked up.

Its circuitry features boosted power rails to provide abundant headroom and increased definition. Best of all, you don't have to be a rock star to own one!

- Transparent overdrive
- Boosted power rails for extended headroom and definition
- Super responsive
- Compact, rugged design
- Selectable true bypass or buffered bypass modes
- Power adapter included
