Decksaver LE (Light Edition): Still made from super durable polycarbonate, but reaching you at a more affordable price.

Pioneer DJ has yet again pleased the DJ industry with their latest controller, the DDJ-FLX4.

This versatile piece of equipment is designed to meet the needs of beginner and intermediate DJs with its exceptional sound quality and range of features.

The DDJ-FLX4 features a 4-channel mixer and large jog wheels, providing a tactile and responsive feel that makes it easy to scratch and manipulate tracks. It also comes equipped with a range of input and output options, including XLR, RCA, and TRS connectors, as well as a built-in sound card that delivers high-quality audio processing.

To protect your investment from any potential damage, our Decksaver cover for the DDJ-FLX4 is a must-have accessory. Made from ultra-durable polycarbonate material, our cover provides exceptional protection against spills, dust, and other harmful elements.

Our team of experts has spent hours researching and developing the perfect cover for the DDJ-FLX4, ensuring that it fits snugly and securely over the unit. With our Decksaver cover, you can rest easy knowing that your DJ controller is protected from any potential harm.

With your DDJ-FLX4 at home or in the club, protecting it should be a top priority. With our Decksaver cover, you can safeguard your equipment and enjoy peace of mind knowing that your DJ controller is safe and secure.
