Introducing the Decksaver covers for the Reloop RMX-90, RMX-80, and RMX-60 mixers — the ultimate solution for protecting and preserving your valuable DJ equipment. These custom-molded covers are specifically designed to fit the contours of each mixer, providing a snug and secure fit while accommodating cables and connections.

The RMX series mixers are renowned for their exceptional sound quality, robust construction, and intuitive controls. Whether you’re a professional DJ or a passionate music enthusiast, you know how important it is to keep your gear safe from dust, liquid spills, and accidental impacts. That’s where the Decksaver covers come in.

Constructed from durable polycarbonate material, the Decksaver covers act as a shield, safeguarding your RMX-90, RMX-80, or RMX-60 mixer from everyday hazards. With their precision-trimmed design, these covers offer a perfect fit, ensuring that all the important features and controls remain easily accessible while providing reliable protection.

Transporting your mixer to gigs or events can be stressful, but with the Decksaver cover, you can have peace of mind knowing that your RMX mixer is well-protected. The sturdy construction of the cover adds an extra layer of defense, preventing scratches, dings, and other damage during transit. Slip the covered mixer into your bag or flight case, and you’re ready to hit the road with confidence.

In addition to their protective qualities, the Decksaver covers also add a touch of professionalism and style to your setup. Their sleek and transparent design allows you to showcase the sleek aesthetics of your RMX mixer while keeping it safe. Whether you’re performing on stage, recording in the studio, or

simply practicing at home, the Decksaver cover maintains the pristine appearance of your mixer.

The Decksaver covers are not just about protection; they are a statement of your commitment to preserving the longevity and performance of your DJ equipment. Designed and engineered in the UK to the highest standards, these covers are built to last, offering long-term protection for your RMX-90, RMX-80, or RMX-60 mixer.

Invest in the Decksaver cover for your RMX mixer and ensure that it remains in top-notch condition throughout its lifespan. Whether you’re a touring DJ, a club owner, or a passionate music enthusiast, the Decksaver cover is an essential accessory that provides the peace of mind and protection your mixer deserves. Keep your RMX mixer safe, secure, and ready for action with the Decksaver cover.
