Accuracy level

The goal for any cartridge should be to reproduce the sound as close to the artists vision as possible, and the 2M blue takes you further on this journey of authenticity. With the 2M Blue, you get serious about listening to vinyl.

Designed for optimized fitting on low-profile turntables

Compatibility

The Ortofon 2MR series boasts a newly developed cartridge housing tailored for low-profile turntables. Its ultra-slim 3mm height reduction ensures seamless integration without the need for spacers or modifications, allowing for quick, easy mounting with just two screws.
