Rediscover your recods

Accuracy level
To us, hi-fi is more than a fancy label. High fidelity is the goal of everything we do. The 2MR Bronze is designed to give the music a whole new dimension of precision. Listening to your records with the 2MR Bronze is like hearing them for the first time and you get to fall in love with the songs all over again. That is what hi-fi means to us, and that is what you get with the 2MR Bronze.

Designed for optimized fitting on low-profile turntables

The Ortofon 2MR series boasts a newly developed cartridge housing tailored for low-profile turntables. Its ultra-slim 3 mm height reduction ensures seamless integration without the need for spacers or modifications, allowing for quick, easy mounting with just two screws.
