ZOOM R12 MULTI TRACK RECORDER

The R12 is made for musicians who live to make music. And they want the freedom to make music wherever they go.The R12 is made for musicians who live to make music. And they want the freedom to make music wherever they go. Compact and mobile, you can record and mix songs without a computer. Use the R12’s full-color LCD touchscreen to cut, copy, loop, and edit your tracks. The R12 includes a send effects channel offering reverb, chorus and delay with a dedicated effects return fader. For advanced tones, you can use presets and effects from Zoom's Guitar Lab. The R12 also has pan and a 3-band EQ for each track and a compressor on inputs 1 and 2.
