Packaging Info

Package Weight	0.82 lb
Box Dimensions (LxWxH)	8.8 x 5.8 x 1.7"

Capture moments of musical inspiration and build compositions on the go with the **Zoom R4 MultiTrak** recorder. Combining a workflow similar to classic portable 4 track recorders with 21st century digital features, the R4 offers musicians a compact and travel-ready miniature studio complete with two XLR/TRS combo inputs, a built-in microphone, volume faders, 2" color LCD, stereo 3.5mm output for monitoring, effects, and even built-in rhythms to help you get ideas down. Audio is recorded to microSD, and cards of up to 1TB are supported. A 1/4"-20 thread allows you to easily mount it to a tripod or other accessory, while nonskid rubber feet help keep it from moving on flat surfaces.
