What sets the OriginAL EVO apart, aside from its stellar

performance, is its rugged design. Built to withstand the rigors of the road, it features scuff-proof paint and a steel and alloy chassis that can endure the harshest touring conditions.

The amplifier comes with a 5-year warranty, providing peace of mind for musicians on the go. Moreover, it boasts auto-protect voltage for global touring musicians and features an adaptive temperature-controlled fan, making it equally suitable for studio and stage use.
