levate your musical journey with the Ashdown SX 5 COMBO—an embodiment of sonic excellence that marries classic authenticity with modern innovation.

This 5-watt, all-tube guitar combo stands at the forefront of Ashdown's SX range, designed to meet the demands of contemporary musicians seeking extraordinary tonal possibilities.At the heart of the SX 5 COMBO is a meticulously crafted
amplifier featuring a 1x12” Celestion-loaded speaker, driven by 1xECC83 and 1xEL84 tubes. This combination delivers a rich, warm, and dynamic tone that resonates with timeless beauty.

Whether you're performing on stage, recording in the studio, or refining your skills at home, the SX 5 COMBO ensures that your sound remains authentically classic.
Noteworthy features include a digital reverb that adds a touch of ambiance to your playing, an effects loop for seamless integration of your favorite pedals, and a speaker-emulated recording out for capturing your tone with studio-quality realism.

The inclusion of Celestion speakers in the new range of combos ensures that the core tone of these amplifiers is faithfully represented, providing a glorious all-valve experience night after night.The Ashdown SX range invites you to unleash your sound and explore the boundless possibilities of tone and flexibility. As the home of tone, Ashdown takes pride in offering a range of amplifiers that redefine the expectations of hardworking guitarists.

Experience the Ashdown difference with the SX 5 COMBO—where classic meets modern, and your music comes alive in ways you've never imagined.
